Dear Jenni, dear Claudio,
Hopefully this summer Xmas present
will arrive in your tropical Summer!

This typical European Christmas pastery, as
my mother + father mother used to
bake it from October up to Xmas, every
year. It accompanied us when we'd

order all the way through the long winter
months (winter here becomes rather short)

Don't worry: it keeps well over time.
Have a nice Advent + a happy Xmas to come!
