After my week of teaching in  
I will look at the University & District  
I'm enjoyed three weeks of training  
around Madras - Cape Province - and  
collecting material for a comparative  
study of America, Brazil & South Africa  
on health policies is highly statistical  
societies. Home tomorrow to Durban  
(and check up on how Gallicelli is  
doing), then to Durban for personal  
visiting plus another few weeks of field
